4 - 6 November 2009
PICC, Putrajaya, Malaysia

OPEN SOURCE SOFTWARE (OSS) SHOWCASE EXHIBITION

EXHIBITION INFORMATION & GUIDELINE

Exhibition Goal

The goal of this exhibition is to showcase OSS products, solutions and services that are available for the Public Sector. The exhibition will emphasise the readiness of the ICT industry to support the implementation of the Malaysian Public Sector OSS Programme and in so doing, will encourage increased growth in the local OSS industry and community.

The exhibition will exemplify quality and professionalism. It will be rich in content and showcase the diversity of OSS products, solutions and services, ranging from emerging technologies to mature and proven products. It will also demonstrate interoperability between OSS and proprietary products.

Exhibition Co-organisers

PIKOM and MSC Malaysia will be the exhibition co-organisers. PIKOM is fully responsible for the operations of this OSS Showcase Exhibition.

Exhibition Venue

Concourse foyer of Putrajaya International Convention Centre (PICC, <http://www.picc.gov.my>), which is situated atop of Taman Puncak Selatan in Precinct 5.
